Activity	Duration	Price	Notes
Educational Walking Tour	60 minutes	£3.95 (+ VAT) per child	All walking tours are charged at the same rate, regardless of the topics covered. Available between March – September.
Tractor and Trailer Tour	45 minutes	£3.50 (+ VAT) per child	The tractor tour is designed to be done in addition to the walking tour, rather than instead of it. The tractor visits a different area of the farm and does not provide as much in-depth educational information as the walking tour. Available between March – September.
Grow Your Own Veg (Feb-May)	30-45 minutes	£3.50 per child	As well as enjoying an educational hands-on planting session, each child will get to take away an individual pot with a growing plant or herb to care for at home.
Pick Your Own Fruit / Veg (June-Sept)	30-45 minutes	£3.50 per child <small>(This price does not include self-led fruit picking – please contact us for more information)</small>	Each child will get to fill a small punnet to take away with them. Exactly what fruit or veg is available to pick will depend on the date of the visit. See the calendar on our Pick Your Own page for approximate availability timings of different produce.
Pick a Pumpkin (First 2 weeks of October)	30-45 minutes	£3.95 per child	As well as giving entry to our pumpkin festival (usually £2.95), each child will get to pick a small pumpkin (worth £2) from our outdoor pumpkin patch or indoor display to take away. Note that pumpkin picking is a self-supervised activity (i.e. teachers are responsible for the children during their visit to the pumpkin patch) – we do not have the resources available during October to offer full educational visits.
