KENYON HALL FARM

School Visit Information

Educational Farm Walking Tour

Every visit begins with an educational walking tour of the farm, tailored to suit the age and interests of your group.

Along the way, children will discover how food is grown and produced, explore crops and plants growing around the farm, and learn about topics including the seasons, sustainability, plant life cycles, healthy eating and modern farming.

Depending on the time of year, there may also be opportunities to explore herbs and plants through touch and smell, see fruit and vegetables growing in the fields and, when our chickens are around, visit them too.

The walking tour forms the core of every school visit, with hands-on activities and tractor rides available to add to the experience.

Pick Your Own Fruit

A hands-on taste of what Kenyon Hall Farm is famous for!

Children head into the fruit fields to see how the crops grow before picking a punnet of their own fruit to take home and enjoy. It's a memorable way to bring learning about food production, growing and healthy eating to life.

Pick Your Own is usually available from around 10 June through to the summer holidays, although exact dates vary each year depending on the season.

Grow Your Own Veg

Children get stuck in with a practical planting activity, learning how plants begin, what they need to grow and how to care for them.

Each child plants their own vegetable, herb or flower to take home, look after and watch grow — a simple way to explore plant life cycles, responsibility and where our food comes from.

Tractor & Trailer Ride

Climb aboard our tractor and trailer for a ride around the farm, taking in different parts of the site and stopping at points of interest along the way.

It's a fun way for children to see more of the farm, learn a little about how it works and experience one of the most popular parts of a school visit.

Terms and conditions

1. All school visits are subject to availability.

2. Your chosen date will be held provisionally while we confirm availability. Once your visit has been approved, we'll send you a secure payment link.

3. Full payment is required to secure your booking. Your visit is confirmed once payment has been received in full.

4. School visits normally go ahead in all weather conditions. If an official weather warning or other exceptional circumstances mean we cannot safely host your visit, we'll contact you to discuss the options.

5. If Kenyon Hall Farm has to cancel your visit, we'll endeavour to offer an alternative date where possible.

6. If you need to cancel your visit, the following refund policy applies: 28 days or more before your visit – 75% refund, 14–27 days before your visit – 50% refund, Less than 14 days before your visit – no refund.

7. Your school is responsible for completing its own risk assessment and maintaining appropriate adult-to-child supervision throughout the visit.

8. Your school remains responsible for the behaviour, safety and welfare of the children in your group.

9. Kenyon Hall Farm staff cannot be counted towards your school's required supervision ratios.

10. Kenyon Hall Farm is a working farm and remains open to the public during school visits.

11. Visitors should come dressed appropriately for an outdoor farm environment and the expected weather conditions.
